2. Contract No. SC-58 covers the furnishing of technical representatives for the Air Force in the ZI and overseas for the period 1 July 1957 thru 30 June 1958. Also covers training of Air Force personnel in maintenance of the basic aircraft and the furnishing of Auto Pilot Field Engineers.

3. This amendment provides funding in an additional amount of [REDACTED] or a total contract amount of [REDACTED]. The [REDACTED] should be obligated during FY 1958 against "No Year" Air Force funds. By concurrence to this memorandum, the Project Comptroller signifies that sufficient funds are available for this additional obligation.

4. Certification of funds for this contract will be handled under the procedure approved by the Director of Central Intelligence on 15 December 1956, which in effect results in all 10(b) expenses involving issuance of Treasury Checks being accumulated in a separate account within the Finance Division. The amounts in this account will be periodically scheduled for certification of the vouchers by the Director. This procedure eliminates the necessity for a separate certification of authority under Section 10(b) of Public Law 110, 81st Congress, for each contract.
